A Good Entertainment.

The musical entertainment given by the Wagner Duo (Newlan and Johnson), assisted by Miss Myrtle Warner, at the North Missouri College Chapel on last Friday night was well patronized by music lovers of Albany. The program was a strong one and every number on it was rendered in a manner to elicit generous applause from the audience. Profs. Newlan and Johnson are both artists who are finished performers on a number of different instruments, and with Miss Warner at the piano, they give an entertainment worthy of high est praise.

The performance given here on Friday evening was repeated on Saturday night at Denver, where a large audience was pleased by the entertainment.—Albany Capital.

It is with great pleasure I bear testimony as to the ability of Prof. W. F. Newlan. As a performer he is, in my judgment, one of the best it has been my privilege to hear.

As a high class Soloist, Newlan stands without a rival, and as a token of esteem I present him with this medal.
